By clicking "I Accept," I accept Nixle's [Terms of Service](#).

You will receive a single opt in welcome message. Reply YES to continue to receive SMS text messages. You may opt out at any point by sending STOP to 888777. Send HELP to 888777 for information.

No charge but Message and Data rates may apply. Message frequency varies. AT&T, T-Mobile®, Sprint, Verizon Wireless and most other carriers are supported. Contact customer support at support@nixle.com.

Step 2

Note: If you entered a Mobile Phone number to receive text alerts you will receive one at this time. The message will be from the number 888777 simply reply YES to receive future alerts on your cell phone (opt in) . Standard messaging rates may apply.

Next you will be asked to setup your home area. Input your home address (*this is used to send you information and alerts based on your location*) Click Continue and confirm your address.

Step 2 (Your home area)

✖ You will not receive text messages until you enable delivery. On your phone, text "YES" to the number 888777 to opt in. ✖

* Home Address or Closest
Intersection: Example: "123 Main" or "Main & 3rd".

* City:

* State: --

* Zip Code:

Why do we ask for your address?

We ask for your address so we can provide you with information specific to your neighborhood. Once your registration is complete, you can add additional locations in the Location section.

The next page will give you the opportunity to share the alert system with friends and family. You can send via email or by clicking the social media buttons in the top right corner. Or you can click Skip & Finish.

Step 3.

The next page asks for optional demographic information. You can either fill it out and then click Go to Nixle or you can skip this by clicking Go to Nixle.

Congratulations!

You have successfully created your account. We have sent you an email containing your account details, please check your spam folder.

Thanks for signing up for Nixle!

At this time, you may also provide optional demographic information to help us serve you better.

Age:

Gender:

Household Size:

Occupation:
